Why cruise with Princess® in Japan:

1. **Choice:** Princess offers more departures ex Yokohama (Tokyo) than all our competitors combined.
2. **Diamond Princess:** Built in Japan, for Japan, with special features like the luxury Izumi Bath. Guests can indulge in Japanese cuisine like sushi, sake & noodles while also enjoying familiar favourites like our signature pastas & pizza.
3. **More Time Ashore:** Our curated itineraries allow guests to immerse themselves with more ports than ever before including late night in port until 9pm or later.
4. **Best Shore Excursions:** Princess offers award-winning & diverse tour options with English speaking guides so guests can enjoy stunning sights & local culture to the fullest.
5. **Festivals:** Experience some of Japan's world-famous events such as Kyoto Gion Festival featuring massive hand-crafted floats, or watch a display of 10,000 fireworks during Kumano Festival.
6. **Family Friendly:** Travelling in Asia with kids can be challenge. Princess allows families to travel seamlessly, with western style food available for fussy eaters & kids services to entertain them.
7. **Affordable:** There is no comparison when it comes to travelling in Japan. Cruising is the only way to cover so many regions with all travel, main meals & entertainment for under \$300 per day.

Our Travel Tips

- **Princess Bundles:** Treat yourself to an even more-inclusive experience with Princess Plus & Princess Premier.
- **CruiseTours:** Enjoy the best of both worlds with 5 nights pre-cruise touring through Kyoto, Tokyo & Yokohama, including a bullet train journey & Mt Fuji visit.
- **Duration:** Cruise 14+ nights for the best & most immersive experience.
