

AFTER DARK

**AN ELECTRIFYING NEW LINEUP
OF NIGHTTIME EXPERIENCES
THAT WILL CHANGE THE WAY YOU CRUISE.**

Whether sipping a perfectly crafted new cocktail on the Sky Deck, swaying to live music in the Panorama Lounge or stepping ashore for a moonlit city escape, Avalon After Dark ensures that every moment – day or night – is one to remember.

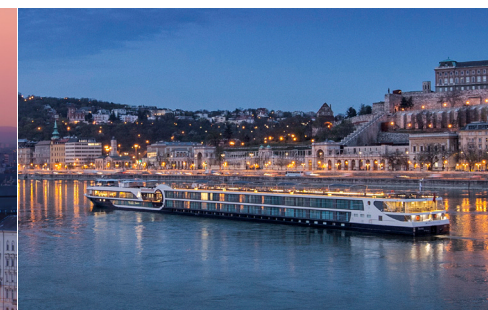

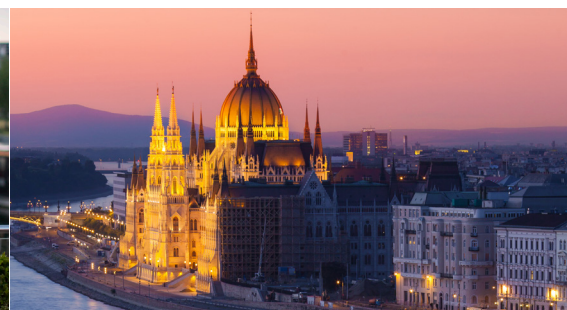

RAISE A GLASS TO RAISING THE BAR.

Back in 2023 "Happy Hour" was introduced, inviting guests to enjoy a selection of complimentary drinks before dinner. Now, guests will experience a new bar menu, with a collection of premium alcoholic and non-alcoholic cocktails created by world-renowned mixologist Martin Hudák.

A LITTLE LOUNGE, A LITTLE LET LOOSE.

As the sun sets, the Panorama Lounge is set to light up with live music, special performances, themed trivia, karaoke and impromptu dance parties. Guests are invited to belt out a classic, test their knowledge over nightly cocktail specials or lose themselves in the rhythm of live entertainment.

DINNER WITH A VIEW AND A BREEZE.

Introducing Sky Grill Dinners – an open-air dining experience on the Sky Deck, where fresh flavours and sunset views take centre stage. Think sizzling specialties, locally inspired dishes and crisp wines. Guests will also be able to enjoy warm evenings under the stars with Sky Deck drink service, sipping on a selection of wine, beer and cocktails – served with a side of moonlight.

MOONLIT PORTS & MIDNIGHT PUBS.

Guests will be able to experience Europe's most legendary cities and settings with more overnight docking in places like:

BUDAPEST. Sip cocktails at a ruin bar or enjoy the beauty of Buda Castle as it lights up the night sky.

VIENNA. Take in a classical concert, enjoy a Viennese coffee at dusk or indulge in a midnight craving of Sachertorte.

AVIGNON. Enjoy a moonlit walk past the Palais des Papes or dine alfresco in a starlit square.
