TOP 5

TOP 5 TIPS FOR CHOOSING YOUR PERFECT CRUISE

PICK YOUR SEASON

Every destination has its moments to shine. From spotting iconic wildlife in the polar regions to diving into the sparkling Mediterranean in summer, choosing the right time to travel can transform a beautiful place into something truly magical.

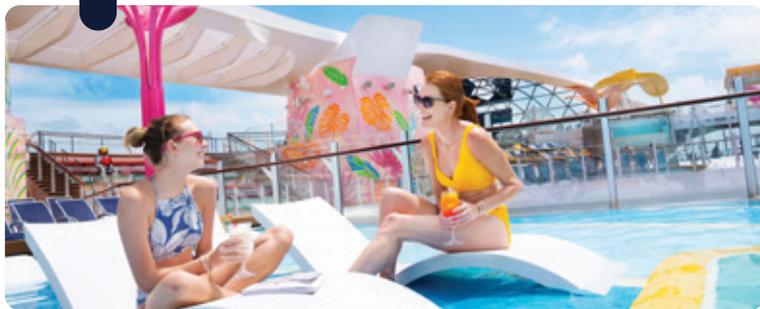

WHAT DOES VALUE MEAN TO YOU?

Some cruises include shore excursions to immerse yourself in the destination, others include beverages or Wi-Fi on board for you to maximise your experience. Consider the inclusions so you can compare the true value.

WHAT'S YOUR TRAVEL STYLE?

Close your eyes and imagine your holiday. Do you picture lazy days by the pool, guided cultural tours, or exhilarating rides at sea? From luxurious escapes to family-friendly adventures, every cruise line offers something different.

CHOOSING YOUR CABIN

Your stateroom is your sanctuary. Balcony cabins provide private water views, while interior cabins maximise value. On ocean cruises, the position of your stateroom within the ship can really shape your experience.

USE EXPERT ADVICE

With so many cruise lines and styles available, a Helloworld Travel cruise expert can help you navigate the sea of options. They'll match you with the voyage that's right for you, making your journey seamless, leaving you with nothing to do but create memories.
